Zombie Exodus: Safe Haven Full Crack [torrent Full]

Bank Robbers make a living the old-fashioned way
—stealing it. Bank Robbers generally focus on
several skills aiding their craft, such as Ranged
Weapons and Intimidation. They must be quick on
their feet, able to evaluate situations, control
crowds, plan elaborate heists, and flee on foot or by
vehicle when the time (or police) arrives. While
money may be useless in the Apocalypse, the skills
of a bank robber are not to be overlooked.
